

Attention all Visitors

Please **stop** before you enter and read the following guidelines.

1. You must call 24-hours in advance to ask our staff when you can visit.
2. We are limiting visits to one family member at a time.
3. If you have signs of illness, cough, or fever you must **not** enter with or without an appointment.

We ask for your understanding. We ask that everyone follow these guidelines.
